

# Promise Campaign...

lead, innovate  
and transform

Johnson Memorial  
Hospital  
Trinity Health

With hearts full of tenderness and love for their community, Cyril and Julia C. Johnson donated a substantial portion of their fortune to establish and erect one of the finest hospitals in Connecticut in 1912, known as the Cyril and Julia C. Johnson Memorial Hospital. Since that time much has changed, but we have always held steadfast to our Promise to lead the way in world-class and compassionate care.

Johnson Memorial Hospital Timeline

1912	1914	1954	1975	1986	1988	1998	2012	2015	2021
On April 12, 1912, The Cyril and Julia C. Johnson Memorial Hospital opened. Patient admissions for the first year were 160 with 36 operations.	Cyril Johnson died at his home in Stafford.	A new 3-story wing was added doubling the bed capacity to 60 patients, housing a modernized operation room, x-ray, lab and dietary facilities.	Hospital was moved to current location on Chestnut Hill Road and renamed Johnson Memorial Hospital.	Johnson Ambulatory Surgery Center was opened at 148 Hazard Avenue, Enfield.	Johnson opened a 20-bed inpatient Psychiatric Unit, Psychiatric Day Hospital and a new Cardiac Care Unit.	The Phoenix Community Cancer Center opened on the Enfield campus.	The official affiliation signing between Johnson Memorial Hospital and Saint Francis Care took place.	Johnson Memorial Hospital joins Trinity Health.	Ground-breaking for the S. Prestley and Helen Blake Ambulatory Care Center.

# Johnson Memorial Hospital

## Promise Campaign Starts Here

Johnson Memorial Hospital is embarking on the **Promise Campaign** to raise \$15 million to further the impact, innovation, and expertise of this remarkable institution, ultimately offering our patients the very best care possible.

As we move forward with the **Promise Campaign**, philanthropy will be the bridge between good and exceptional. Our plans to create a world-class, state-of-the-art ambulatory care center, expand the current Karen Davis Kryznovek Cancer Center, create a geriatric wellness pavilion, and establish senior emergency treatment protocols within the Emergency Department allowing us to provide exceptional care to our patients and community, well into the future.

*From the moment I walked into The Johnson Surgery Center I was treated with exceptional and outstanding care from the entire team. Everyone made me feel comfortable by providing a warm blanket, holding my hand and making me laugh. I was amazed at how well the staff interacted with each other in such a positive manner. I told my family that this was the most wonderful experience and the second time I had surgery, it was just as wonderful. I highly recommend others use this amazing surgical center."*

# Promise Campaign receives \$10,000,000 lead gift

## S. Prestley and Helen Blake Medical Center Campus

The late Prestley Blake, co-founder of Friendly's Ice Cream, and his wife, Helen, donated \$10 million to Johnson Memorial Hospital to completely renovate the Enfield Campus. This represents the largest gift ever dedicated to Johnson and it will have a profound impact on this community for generations to come.

The S. Prestley and Helen Blake Ambulatory Care Center will provide the following services:

### **Ambulatory Surgery Center**

— 3 Operating Rooms

**2 Endoscopy Procedure Rooms**

**Laboratory Services**

### **Primary Care**

— 15 Examination Suites

**Radiology**

**Specialty Suites**

**Welcome Center**

Investing in our **Promise Campaign** will have a profound effect on our patients, their families and our entire community.

## Karen Davis Kryznowek Cancer Center

### Expansion

The expansion and renovation of the Karen Davis Kryznowek Cancer Center will increase our current footprint providing improved access to and treatment of oncology services. Oncology specialists located within the cancer center will provide coordinated services including radiation and infusion.

This year over 20,000 Connecticut residents will learn they have cancer. By the year 2030, cancer is expected to surpass heart disease as the No. 1 cause of death in the United States. Our medical team brings the promise of hope and healing to cancer patients and their families by offering comprehensive and extraordinary care – closer to home.

## Research • Patient Assistance • Endowed Chairs Endowed Symposium • Survivorship Programs

Advances in cancer medicine are the result of new ideas, developed through clinical research. Clinical trials help find cures for diseases — it is how we test, improve and advance new drugs, devices and methods of treatment that save and improve lives. Our partnership with Smilow Cancer Hospital at Yale New Haven provides expanded opportunities for patients to participate in numerous clinical trials.

The **Promise Campaign** will enable the Karen Davis Kryznovek Cancer Center to expand and enhance delivery of a comprehensive, personalized treatment experience for each and every patient.

Investing in our Promise Campaign will have a profound effect on our patients, their families and our entire community with a focus on research, patient assistance, an endowed oncology chair, educational symposiums and survivorship programs.

## Anonymous donor commits \$1,000,000 to the Promise Campaign

## Geriatric Wellness Pavilion at Johnson Memorial Hospital

The **Promise Campaign** is investing millions of dollars to create programs and services that address the complex needs of our aging population. Almost 12,000 square feet will be dedicated to the Geriatric Wellness Pavilion at Johnson Memorial Hospital.

Transforming healthcare takes a comprehensive team of primary care physicians, social workers, psychologists, pain managers, oncologists, cardiologists, diabetic and bariatric experts. This team of specialists will provide the best health outcomes for older patients with complex care needs.

Our multipurpose rooms will promote healthy, independent living in a high-tech, patient-safe environment.

## Inpatient Pavilion

**15 beds**

**Geriatric Care & Behavioral  
Health Focus**

**Multipurpose Suite**

**Sensory Suite**

**Peaceful Seclusion Suite**

## Outpatient Services

**2 Intake Suites**

**2 Group Therapy Suites**

**Quiet Group Therapy Suite**

**Dining/Social Facility**

**Family Consultation Suite**

## Senior Emergency Care

The **Promise Campaign** will secure funds to create senior emergency treatment protocols within the Mark E. Quigley, M.D. Emergency Department at Johnson Memorial Hospital. This will allow us to focus on the healthcare needs of our senior population in a safe and comfortable setting with specially trained medical teams.

### The renovated space will be enhanced to include:

**Family Consultation Suite**  
**Four Patient Suites**  
**Large Print Signs and Clocks**  
**Noise Reduction**

**Non-Skid Floors**  
**Pressure Reducing Mattresses**  
**Private Waiting Area**  
**Reclining Chairs**

In the Enfield/Stafford market the 65+ age population is projected to grow the most over the next five years.

# Johnson Memorial Hospital

Trinity Health

## OUR MISSION

We, Trinity Health, serve together in the spirit of the Gospel as a compassionate and transforming healing presence within our communities.

## OUR CORE VALUES

### **Reverence**

We honor the sacredness and dignity of every person.

### **Commitment to Those Who are Poor**

We stand with and serve those who are poor, especially those most vulnerable.

### **Safety**

We embrace a culture that prevents harm and nurtures a healing, safe environment for all.

### **Justice**

We foster right relationships to promote the common good, including sustainability of Earth.

### **Stewardship**

We honor our heritage and hold ourselves accountable for the human, financial and natural resources entrusted to our care.

### **Integrity**

We are faithful to who we say we are.
