## A Giving Program to Honor Your Caregiver

Dear Friends,

On a daily basis, we receive praise from our patients about the everyday “stars” at Johnson Memorial Hospital who have transformed their lives. As a recipient of our services, we invite you to say “thank you” to the physician, therapist, nurse or colleague who touched your life and made your future brighter. By honoring our “stars,” you will ensure that everyone in our community will continue to receive compassionate and excellent care. With a gift of \$100 or greater, your name and the name of your caregiver will be proudly displayed on a plaque prominently hung in the hospital lobby.

Our grateful patients and their families are among our most precious resources, and your story is a reminder of our important healing mission. Please use the enclosed envelope to “Recognize a Star” and tell us about your experience. Your story will mean a great deal to our caregivers and those who may be considering Johnson Memorial Hospital as their destination for care.

Thank you for choosing our hospital, and I look forward to hearing from you.
